Origins and Evolution of the Olympic Spirit

The concept of the Olympic spirit is closely intertwined with the history of the ancient and modern Games. Its modern conception was formalized with the revival of the Olympic Games in 1896, thanks to Pierre de Coubertin, a French educator and historian who sought to promote international understanding through sport.

The Ancient Olympics: Foundations of a Spirit

The ancient Olympic Games, originating in Olympia, Greece, around 776 BC, were more than a series of athletic competitions.
